Notwithstanding the requirements of the preceding paragraph, if continuous coverage is in effect pursuant to consecutive policies issued by the Insurer, a Claim may be reported to the Insurer in writing, as soon as practicable, during the policy period consecutive to and immediately following this Policy Period without constituting a violation of this provision. 2. the names of each Insured that committed the Wrongful Act;
3. a detailed description of the Wrongful Act;

This provision will not apply if the Insured has other insurance with the Insurer, or an Affiliate of the Insurer. In such event, the Insured must elect the Policy under which the Claim will be made. If an Insured, other than the Agent, is entitled to coverage for the Claim, the Agent whose Wrongful Act is the basis of the Claim or who is legally responsible for such Wrongful Act shall be entitled to make the election and such election shall be binding on all other Insureds.

The Insurer agrees to waive any such rights of recovery against the Sponsoring Company.

F. Changes

Notices to any agent or knowledge possessed by any agent shall not effect a waiver or a change in any part of this Policy or prevent the Insurer from asserting any rights under the terms of this Policy, nor shall the terms of this Policy be waived or changed, unless endorsed hereon.

G. Action Against the Insurer

No action shall be taken against the Insurer unless, as a condition precedent thereto, the Insured shall have fully complied with all the terms of this Policy, nor until the amount of the Insured's obligation to pay

Any person or organization or the legal representative thereof who has secured a judgment or written agreement shall thereafter be entitled to recover under this Policy to the extent of the insurance afforded by this Policy. No person or organization shall have any right under this Policy to join the Insurer in any action against the Insured to determine the Insured's liability, nor shall the Insurer be impleaded by the Insured or their legal representative.
